ADVANCING MENTAL, SOCIAL, AND SPIRITUAL HEALTH
Achieve full mental health and substance use parity in law and develop comprehensive approaches to mental health parity in practice and principle

Create and implement standards for mental health and substance use to assure consistency, supported by novel payment models that reinforce quality care

To increase access to mental health and substance misuse services and community-level prevention resources regardless of insurance type or setting, and across socioeconomic status, racial/ethnic lines, physical or mental ability, sexual orientation, and gender and gender identity.
