| 1:15 - 2:15 p.m. | Panel: A Unified Vision for Transforming Mental Health and Substance Use Care  
CEOs of 14 of the nation's leading mental health advocacy organizations and professional associations recently came together to create a unified vision to transform systems and chart a new course for mental health care that's more integrated, accessible, and equitable. Discuss how we can join together to bring about comprehensive change to promote well-being and improve care for everyone. |

12:45 – 1:45 p.m.  Conversation: Back to School – Best Practices in Prevention and Early Intervention
Georgia is investing in a comprehensive school-based behavioral health (SBBH) model. In response to the pandemic, the increased need for prevention and early intervention services is as important as ever to the sustainability and further development of SBBH across Georgia. A community response is needed as Georgia’s children and families are returning to school.

1:45 – 2:00 p.m.  BREAK

2:00 – 3:00 p.m.  Conversation: Guardianship in Georgia: Support and Protection of Rights
Advances in processes and the use of evidence-based assessment tools that ensure adequate support while preserving the individual rights of Georgians will be discussed.
