The Carter Center is a 501(c)(3), not-for-profit, nongovernmental organization founded in 1982 in Atlanta, GA, by former U.S. President Jimmy Carter and his wife, Rosalynn, in partnership with Emory University. The Center has helped to improve millions of lives in more than 80 countries by waging peace, fighting disease, and building hope. The Carter Center is guided by a fundamental commitment to human rights and the alleviation of human suffering. It seeks to prevent and resolve conflicts, enhance freedom and democracy, and improve health.

The Carter Center collaborates with other organizations, public and private, in carrying out its mission around the world. Current information about the Center’s many programs and activities are available at The Carter Center.

**Deputy Chief of Party - Bangladesh**

The Carter Center seeks an experienced professional for a bilateral donor-funded project to expand women’s access to information and increase government accountability. This position requires fluent Bangla, professional-level English, and the ability to freely work and travel throughout Bangladesh. The position is available for Bangladesh nationals only.

**Deputy Chief of Party**

The DCOP will supervise staff, oversee daily operations, contribute on key technical issues, and attend representational meetings when appropriate. The DCOP will manage high-level engagement, participate in programmatic / technical meetings, lead research activities, and other tasks as necessary for the functioning of the project. This role will ensure implementation is in accordance with donor regulations, liaising regularly with staff, sub-grantees, and implementers as required. The DCOP will work under the Chief of Party’s supervision and in coordination with other country staff, assuming the responsibilities of the Chief of Party in their absence.

**Minimum Qualifications**

- Five years or more of progressively responsible supervisory experience, including performance management of professional staff and consultants on multi-year donor-funded projects.
- Seven years or more of experience working in democracy and governance, human rights, or a related field.
Previous experience overseeing contracts and grants for programs funded by a bilateral or multi-lateral donor.

Demonstrable understanding of compliance, policies, and procedures regarding civil society strengthening, organizational development, and localization.

Proven track record of meeting targets and deadlines.

Demonstrated ability to cultivate and coordinate effective working relationships with government, civil society, academia, and private sector stakeholders.

Previous experience in research, including working in or with a research consortium, university, or other academic setting.

Master’s degree or higher in social sciences (Behavioral Economics, Public Administration, Law, Education) or a relevant related field.

Fluency in both English and Bangla.
